Normandale Neighborhood Roadway Improvements

Dear Resident:

The following is an update of the project in your neighborhood:

Private Sanitary Sewer Service Pipe Reconstruction Deadlines

You are required to reconstruct the private sanitary sewer service pipes connected to your house. For residents on Sherwood and Ryan Avenues (Stage 1), today is the deadline to complete this work with a private contractor. For residents on Parnell Avenue and West Shore Drive (Stage 2), the deadline is Friday, June 14. If you did not hire a private contractor, after these dates, Northwest Asphalt Inc. will do the work and charge you.

Overall Updates

Northwest Asphalt will begin repairs to the sanitary sewer pipes next week. Affected residents will be without sewer service for up to 8 hours and will be asked not to use the shower, wash clothes or dishes and limit toilet flushing. If this work affects you, you will receive a notice on your front door in advance. Crews will make every effort to finish the work quickly to limit the inconvenience.

Communications

For detailed information about the project, visit
www.edinamn.gov/construction_normandale_reconstruction.

The City of Edina and Northwest Asphalt thank you for your patience and cooperation throughout the project.

Regards,

Joe Clement, SEH
